DESCRIPTION COLLECTION

Consifex – Malhas e Confecções, Lda was founded in 1989, and as a result of a well-defined strategy, structure, policy and planning, quickly became a leader in the sector of production of outdoor clothing for men, women and children. Consifex is a company with a young and dynamic spirit; motivated and always in search of new challenges; we have always believed that customers are not just business relationships, but also commitment and transparency. Our business path is based on the pillars of UNION; DETERMINATION and PERSISTENCE. Experienced professionals, guarantee an attentive and personalized service to each client. We ensure the development of 12 annual collections and follow up on all phases of the production process in order to guarantee quick and accurate answers. The volume of production is nowadays 1.500.00pcs per year thanks to the collective capacity of this admirable team. We know that the market is fast and changeable, so we have placed our own Design Office in order to effectively meet the needs of our customers. The collection that we are presenting, aims not only to demonstrate what we are capable of doing individually, but essentially to make known the potential that we can also offer through our suppliers, which we also consider as our partners in work.
