Contact Persons: Belmira Rodrigues

Albano Antunes Morgado began his business back in 1927, by setting up a small weaving section in ramshackle premises with only two wooden looms. However, the enterprising spirit of the, then, young businessman, intended to constantly seeking to expand and modernise his company. Following continuous investments, today the Company has the best technology, a covered area of over 20.000 m2 and a workforce of 80 competent and dedicated workers. It's got more than adequate infrastructure for the development of all stages of the production process, such as Carding, Spinning, Warping, Weaving, Dyeing and Finishing. Ensuring a high level of quality and design Albano Morgado, SA is selling all around the world...
