Cristina Barros

stand 8G03

products Focused on the female segment, the brand is distinguished by the extreme quality of the "Made in Portugal" exemplary materials and manufacturing processes, in addition the design of the pieces to privilege the woman who likes to live fashion regardless of the various stages of her life.

Quality, excellence and attention to detail.

Cristina Barros has become a brand that defends the slow fashion movement, creating timeless pieces, capable of maintaining a class contemporary and permanent style.

In 2019 began the launch of collections with environmental and sustainability concerns using 100% recycled materials joining the GREEN CIRCLE movement.

Juliano Bella

8601A stand

Juliano Bella is a fashion brand that excels in quality excellence and attention to detail. products
With a strong focus on simple but powerful design, it leads us to create timeless pieces with high quality.

As a brand, Juliano Bella ambitions a gradual growth with responsibility and commitment, stressing the idea of "less is more". Our mission is to create timeless clothing that our consumers will value and enjoy for a long time, following the philosophy that fashion should not be disposable.

The brand combines elegance and sophistication with quality and comfort and it is for this reason that we guarantee the "Made in EU" seal on all articles, a seal that is globally synonymous with quality and trust.

All the brand's production is made in EU, close to our headquarters, where each phase of development is followed in person.

Kallison Bagoraz Get in Vibe

stand 8C04A

products Bagoraz

The return of sunny days inspires fresh and practical options, resulting in a collection that invites freedom and movement. Sustainable options stand out, reflecting our commitment to eco-conscious choices and responding to the challenges of our times. Fluid and natural materials, enriched with embroidery and sparkles, are revealed in the delicacy of classic florals and the joy of bright colours.

Kalisson

The Spring/Summer 2024 collection celebrates feminine fashion in connection with nature. Reflecting the sustainable consciousness of today's woman, it brings us original proposals that pay attention to preserving the environment and responsible consumption. Vibrant colours and sparkles, laces and embroideries add a touch of delicacy and sophistication to each piece, highlighting the shapes and patterns that celebrate each woman's individuality.

Get in Vibe Summer 24

Environmental awareness is the creative essence of Get In Vibe. In a timeless style, Get reinvents a distinctive concept of renewal in each garment. The upcycling movement is our path, always ensuring the quality and elegance of the feminine image.

Loco Luxo

8F20 stand

Our FW24/25 collection consists of women's parkas and coats made with the best materials for the winter season (Polyester, Wool, Double Face and Fur). Like always, in this winter collection we use sustainable, recycled and waterproof fabrics. Our parkas have high quality natural furs which adds extra value to our styles. Our products are positioned in the medium and medium-high fashion clothing segment. Our products for this new winter collection have a bold and very colorful design, following the current fashion trends.

SMF

8B02 stand

SMF FW 24/25 Collection goes around all the ideas, thinkings and the behaviors around all the expectative we are following by the past and living at the moment. SMF consumers gravitate to put-together looks, while versatility and multipurpose use continue to be key drivers. The slip dress, padded coat and cardigan are Trend Curve + Sustained Risers. Possessing the ability to flex across casual and smart end-uses. In 2024 and beyond, neutrals will play a pivotal role as consumers turn to colors with versatility, durability and longevity. With a resurgent focus on restraint and practicality we see a rise in foundation neutrals, which connects to changing lifestyle choices around the pursuit of rest and balance. For this FW 24/25 Season key colors are Intense Rust, Sustained Grey, Deep Emerald and Glacial Blue. About clothes details: Fringed hems - Leverage the commercial appeal of fringes, giving them a cosy look via #ElegantComfort outerwear. Duplicated effects - Expand on the effect of double waistband bottoms and trial duplicated collars, plackets and lapels. Conceal/reveal trims - Expanding beyond their traditional function, zippers and buttons add a transformative element to garments.

Champion SMF effortless on-the-go pieces with comfort, simplicity and versatility, in line with our #EasyDressing and #CityDressing trends.
